## “For when music matters”

My name is Denis O’Leary and seven years ago I set up ExpressDjs. I am a mobile DJ based around Kerry. I have a significant amount of experience and want to start making alliances with other businesses around Kerry.

We do a wide range of wedding packages such as our:

- After the band package
- Cocktail hour and after the band package
- Full wedding package

Information on what is included in each package can be found on our website, <https://expressdjs.ie/weddings/> , as well as pictures and videos of what some of our previous weddings have looked like.

We also cater for events such as corporate functions and private functions such as birthday parties, engagement parties, etc.
